Narcotics and Fentanyl

Situational Training

Explosive and Cadaver Detection

For the first time we are offering a four day police decoy class, law enforcement only, instructed by certified decoy in PSP, french ring sport. Lean how to properly catch your dogs to motivate and increase your dog's abilities to make a street apprehension without causing any training injury to your dog. This training will help you in reading mulitple dog's behaviors. It is the helper who improves the dog's preformance.
